I. INTRODUCTION

1. The purpose for this information guide is to avail delegates and participants to the High Level Follow-up Meeting to the 2nd United Nations conference on Landlocked Developing Countries (LLDCs) relevant information relating to aspects on organisation, protocol, security, accommodation and transportation, among others.
2. The Zambian Government in conjunction with the United Nations Office of the High Representative for Least Developed Countries, Landlocked Developing Countries and Small Island Developing States (UN-OHRLLS) and Development Partners will hold a three day follow up meeting to the Second United Nations Conference on Landlocked Developing Countries (LLDCs) that was held in Vienna, Austria in November, 2014. The meeting will follow up on the outcome of the conference, the Vienna Programme of Action (VPoA) for the LLDCs for the decade 2014-2024 which was adopted by all member states during the Conference.
3. The mandate of the meeting is to: a) ensure that the specific goals and objectives of the Vienna Programme of Action for Landlocked Developing Countries are effectively translated into actions and results by all stakeholders and b) to develop a roadmap for Monitoring and Reporting on the implementation of the Vienna Programme of Action.

II. DATES AND VENUE OF THE CONFERENCE

4. The Meeting will be held from 2nd - 4th June, 2015 in Livingstone, Zambia at the Chrismar Hotel, <http://www.chrismarhotels.com>

ANNEXITURE III : TOURIST INFORMATION

Zambia is a landlocked country in Central/Southern Africa, surrounded by eight neighbours. It is slightly larger than Texas. From the Victoria Falls on the Zambezi River to the southern shores of Lake Tanganyika in the north, and from Chipata in the east to Kalabo in the west, Zambia is a country of a variety of ecological zones, shaped by plateaus and escarpments, valleys, and hills. The country is donned with a variety of forests and other forms of vegetation, drained by small and large rivers, and endowed with lakes and swamps filled with over 120 fish species and blessed with an abundant wildlife ranging from the largest, the elephant to the smallest buck. In between are Buffalos, Giraffes, Rhino, various Bucks and carnivore- the Lion, Leopard and Hyena with its 19 Game Parks and 31 Game areas. For those who love birds, there are over 720 species.

Zambia offers one of the best tourist destinations to see wild life in its pristine environment by joining walking safaris, drive in or from observation points. From the rushing waters of the mighty Zambezi River, home of the mighty Victoria Falls and the envy of rafters, to the blue calm waters of the Lakes Mweru, Bangweulu and Tanganyika in the north, Zambia offers opportunities to the tourist to enjoy a memorable visit to the various parts of the country. Zambia is an oasis of peace and tranquility, the sanctuary for many refugees, and a country imbued with a democratic tradition.

Livingstone is the tourist capital of Zambia. It is home to the Victoria Falls also known as Mosi-oa-Tunya meaning the Smoke that Thunders found on one of the longest rivers in the world, the Mighty Zambezi River on which fun activities like White Water Rafting and Boat Cruising can be experienced. Zambia's Main Attractions include among others:

- **Victoria Falls** - One of Africa's most impressive sights, and one of Zambia's biggest tourist attractions, the mile-long curtain of water will not disappoint. There's lots to do besides admiring the waterfall in the Zambezi river area including White Water Rafting.
- **South Luangwa National Park** -Home of the "walking safari" South Luangwa National Park offers one of the best safari experiences in Africa. There's plenty of wildlife and over 400 species of birds. The Luangwa River is filled to the brim with hippos and if you're lucky you'll spot prides of over 30 lions at a time.
- **Kafue National Park** - Zambia's largest national park, a great place to view wildlife without the crowds. Canoeing safaris are at their best here if you can steer around the huge pods of hippos. Horse riding safaris have been introduced.
- **The Bangweulu Floodplain** - The perfect habitat for over 400 species of birds, a twitchers paradise. Marshy and humid, but worthwhile just to get a glimpse of the rare shoebill stork.
- **Mukuni Cultural Village** – a beautiful place to experience the Zambian culture and acquire amazing cultural souvenirs for any/all visitors to the country
