

Transition process & Post-graduation strategies

Roland Mollerus

Secretary

Committee for Development Policy

High-Level Meeting:

Achieving Sustainable Graduation for

Least Developed Countries

29-30 November 2017
Dhaka, Bangladesh

Graduation process

Year 0 (triennial review #1)

CDP:

- Finds country eligible for graduation
Country is notified

Year 3 (triennial review #2)

Graduating country:

- Oral presentation at preparatory EGM; written statement to CDP plenary (both voluntary)

CDP:

- Confirms eligibility (**second finding**) recommends graduation

ECOSOC:

- Takes action on CDP recommendation

General Assembly:

- Takes note of CDP recommendation. Graduation to take place in 3 years

3

Prepare transition

6

Post-graduation

UNCTAD:

- Vulnerability profile

DESA:

- Ex-ante impact assessment report

Year 3

Transition process

Year 6

Graduating country:

- Establishes consultative mechanism, with development and trading partners, to facilitate preparation of a transition strategy.
- Strategy goals: to adjust to phasing out of LDC-specific ISMs & identify actions.
- Reports to CDP on preparation of strategy

UNDP

- Facilitator of consultative group
- Support preparation transition strategy.

UN

- Targeted assistance and capacity building to support formulation & implementation of transition strategy

Partners

- Phasing out ISMs according to country's development situation.

CDP

- Monitors development progress.
- Reports to ECOSOC.

Need for information & coordination

Year 6: GRADUATION Post graduation - implement transition strategy

Graduated country

- Implements and monitors strategy
- Concise annual reports to CDP (3 years after graduation & during 2 triennial reviews thereafter).

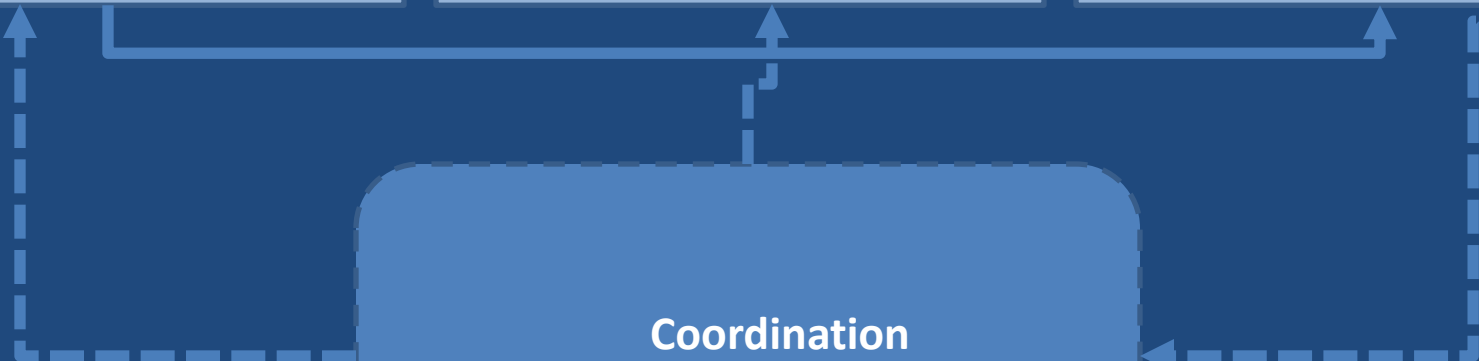

Partners

- No abrupt reductions, phase out according to country's needs.

CDP

- Monitors development progress.
- Reports to ECOSOC (3 years after graduation & during 2 triennial reviews thereafter).

Coordination

Year 3

Prepare

Year 6

Implement

Task force

Coordination

- International entities
- Follow up with partners
 - Ad-hoc v. Package of benefits

Advice

Research & promote opportunities

- Creditworthiness
- Access to capital markets
- Develop & promote benefits package
- South – South collaboration

Information

Reports

- Transition strategy
- Impact Assessments
- Vulnerability profiles
- Monitoring reports

LDC ISM Portal

- Type of LDC-specific support

GradJet Toolkit
